

ANNUAL REPORT 2018

WE HAVE CHAMPIONS, WE NEED CHAMPIONS

Just when we thought it couldn't get any better, 2018 has been an exhilarating year for NFP! If you've been one of our Champions – our many donors, supporters, and/or wonderful volunteers – we are beyond grateful for your commitment to our mission and growth. Thanks to our friends and Champions, we have these highlights to share:

- A new permanent pantry building opened at Family in Faith Church in Glendale Heights on November 10, replacing the once-a-month mobile pantry that had been serving in their parking lot for more than 12 years. The new 2,400 square foot pantry represents a decade-long goal, an amazing story of faith and persistence from a small-but-mighty community of faith.
- A new four-way partnership has provided the path for a new expanded location for our West Chicago pantry which will open in 2019 when renovations at the "vintage" grocery-bakery-office supply store are completed. This 5,660 square foot dream-come-true was made possible by generous donations from The First Congregational Church in West Chicago and the Risch-Dieckmann Family Foundation. The Foundation bought and donated the building to our partner St. Michael Church. The bequest from First Congregational and an additional donation from Risch-Dieckmann will fund the renovation.
- We initiated our new Advisory Council this year. They operate independently of the Board of Directors and their goal is to add value to NFP's mission through their contacts, relationships, and ideas. Our Board Vice Chair, Jan Breyne, is the council's liaison for the Board.
- Once again last year we shared nearly 2,300,000 pounds of food to guests in need serving more than 3,600 families who visited our pantries over 25,000 times. Our focus continues on increasing the nutritional value of the food we serve and have donated. The food recovery cargo vans are on the road daily to local retailers rescuing food on or near its sell-by date – mostly produce, meats, and nutritionally dense items – accounting for over half of the food we distribute! Because this recovered food has no cost to us (other than vehicle costs), our net food cost overall is now 3.7¢ per pound! That means you can feed a family of four for \$18 per month!
- We've had our largest year ever in fundraising and grants. Our two biggest events, the Shopping Cart Shuffle and the Harvestfest Dinner Auction both raised record amounts. Thanks for participating. Both events promise to be bigger and better next year, especially if you invite your friends and families!
- NFP's new Five-Year Strategic Plan was completed in 2018. Much of what you've read above is the result of our previous plan. We continue to look forward to the day when we live in a totally food-secure DuPage.

If you are a Champion for NFP, we hope you'll stay with us and invite others; if you're meeting us today for the first time, join the team as we live our core values of Food Security, Responsiveness, Compassion, and Faith!

Gratefully,

Dave Henderson

Shopping Cart Shuffle

Our 2018 event featured the addition of costumes, an expanded kids' dash, and a start / finish inside Mallard Lake Forest Preserve. Our Executive Director, Tom Norton, challenged his friends to donate \$1,000 and as a result ran in a carrot suit (and was the 2nd place finisher in costume!).

Thanks to the runners, the volunteers and the organizing committee who made it possible!

SAVE THE DATE for August 3, 2019—see you on the course!

HARVESTFEST 2018

Our 5th Annual HarvestFest Dinner Auction was held at the Northern Illinois Food Bank, with our largest attendance yet! Our event emcee, Dave Savini of CBS2-Chicago kept the evening exciting for all, with a record-setting live auction and "fund-a-cause".

Thank you to all our volunteers and our organizing committee whose efforts made it all possible, as well as the guests who opened their hearts and wallets for our neighbors in need! Because of you we were able to raise more than \$60,000 net profit to feed our neighbors in need!

NEIGHBORHOOD SERVANT AWARDS

The 2018 Neighborhood Servant Awards were awarded to local families and businesses whose generosity and service has displayed an extraordinary dedication and service to their neighbors in need.

Our family recipients **Sandie & John Pappanduros** and **Mary Ellen & Robert Quinn** have reached out to our neighbors in need through consistent, monthly support for many years. We also recognized **Pam & Tracy Conn** of **Joe Cotton Ford** as this year's business recipient. As a long-time sponsor of our annual 5K, HarvestFest and Girl's Night Out, their leadership and commitment has led to the growth and success our events year after year, leading to greater awareness and support within the community. The gifts of time, talents, and treasure of these recipients embody the heart and spirit of a true Neighborhood Servant. We thank them for the confidence they place in NFP to be the vehicle by which they feed those in need.

OUR PERMANENT PANTRY AT FAMILY IN FAITH CHURCH

In our 2015 Annual Report we first shared our architect's rendering of our permanent pantry at Family in Faith church in Glendale Heights. Three years later that drawing has become a reality.

On November 10, 2018 we opened our doors for the first time, with our formal ribbon cutting ceremony held on December 9th. Thank you to all the caring, compassionate donors who made it possible, as well as the hard-working and generous volunteers who will keep the pantry running for years to come!

OUR COMMUNITIES IN ACTION

GET YOUR SCHOOL INVOLVED

Incorporating a charity element into school functions is a great way to show children the importance of giving back at a young age.

Here are a few ways that local schools can make a difference for local families:

- Request donations at an annual event (concert, play or sporting event)
- Have a Coin Collection Drive
- Hold a no uniform or hat day
- Organize a Hunger Action Month event (Sept.)
- Enter a team in our Shopping Cart Shuffle 5K

Glenbard North HS collected toilet paper as part of their Homecoming festivities. "Don't throw it in the trees - give it to your neighbors in need!"

The preschool at Lutheran Church of the Master collected items to contribute to this year's Thanksgiving baskets for our guests.

St. Francis HS choir collected canned goods as admission to their concert.

OUR VOLUNTEERS

We are grateful for the support of so many volunteers who support our neighbors in need.

Looking for ways to make a difference in your community? Here are a few ideas:

- Volunteer at one of our pantry sites.
- Volunteer as one of our drivers to pickup donated food
- Collect donations of food or scarce items for our pantries
- Volunteer or participate in our annual Shopping Cart Shuffle 5K or HarvestFest
- Host a 'friendraiser':
 - Cocktails, barbeque or other event at your home
 - Home party event where a portion of the sales benefit our pantries
- Hold a Neighborhood garage sale with proceeds benefitting our pantries

Our Food Recovery drivers help us provide fresh food to our pantry guests AND save nutritious food from filling up our landfills.

- ▲ *Volunteers at our Shopping Cart Shuffle set out food for our walkers and runners.*
- ▼ *Our volunteers at Lutheran Church of the Master keep the pantry running.*

THANK YOU! Two years ago, I found myself out of work, something that was very difficult for me not only because I needed a paycheck, but because I needed something to do with myself when I wasn't looking for work. I learned about your pantry at Immanuel Presbyterian in Warrenville, and came in to offer my services as a volunteer.

I think fate must have led me there, because my first day volunteering I also joined the church as well, and quickly saw how your pantries and volunteers were serving the Lord.

I was struck by the people who came for help. They were regular families – people who didn't "look like" they needed help. One family in particular will always stick in my mind. The dad was employed – a professor in fact – but with 6 kids they just didn't have enough to go around. They, like everyone else, were treated as family at the pantry.

After a few months volunteering, I realized that while I came in to keep busy while I was looking for work, I actually had a lot in common with the guests we were serving. Without a regular paycheck, I was missing meals. An unemployment check doesn't go very far, and I quickly learned what it felt like to be truly hungry.

So I signed up for the services of the pantry, becoming a pantry guest as well as a volunteer. Utilizing your services made me even more dedicated to help, and made me appreciate the impact your services have on the community even more.

After about a year I finally found a job as a spotter at a local warehouse. I can't tell you how good it felt to be back at work, but I wasn't ready to leave the pantry. I continued to volunteer, to attend services at Immanuel, and newly employed I brought in groceries to the pantry whenever I was able.

I recently made a move to DeKalb, as I have gotten a better job. I am no longer able to volunteer at Immanuel, but I will never forget the impact of your pantry, your volunteers, and your services during one of the most difficult times of my life.

Thank each of you for your support of Neighborhood Food Pantries. You are truly doing the Lord's work, and have made a difference in my life that I will never forget.

ADVISORY COUNCIL

We recently formed a new Advisory Council to Neighborhood Food Pantries, which provides leadership opportunities for key individuals who are not yet ready to commit to serving as full board members. This group is tasked with providing leadership and assistance with fundraising, gathering advice on specific programs and projects and furthering the mission of NFP within their communities.
